SILVERSTONE

SILVERSTONE CIRCUIT, 6/7 JUNE 2017
EXHIBITOR INFORMATION

THE SHOW THAT MEANS BUSINESS

DriveVansA2Z took place in September 2016 at Silverstone Circuit in Northamptonshire and it was a huge success. Serious buyers came from all over the UK and completed a whopping 1,019 test drives over the two days. DriveVansA2Z will run again June 6-7 2017.

- More test drives
- More satisfied visitors
- More business done

“JUST WANTED TO SAY:
WHAT A FANTASTIC EVENT.”

DriveVansA2Z is attended by people who are very serious about buying vans, light trucks, 4x4s, pick-ups and van accessories/services. The Show is exactly what it says it is: A live, interactive exhibition where product demonstrations and vehicle testing are at the heart of the action. Visitors are able to test drive, back to back and all on one day, at the world-famous Silverstone Circuit. Silverstone provides all the test facilities any van operator would need to put the vehicles through their paces:

- Road & circuit routes
- Track demonstrations
- Rough terrain
- Extreme off-road/4x4

The Show appeals to the entire market whether owner operator or large fleet. DriveVansA2Z provides operators of vans, 4x4s, pick-ups, light trucks, electric vehicles in fact, anything under 7.5 tonnes that is not a car, the opportunity to save time and money by coming to one venue and checking out everything they need in one day.

“I WAS THERE YESTERDAY AND
REALLY, REALLY ENJOYED IT”

This year, the Show moves to early June because this sits better with decision making time/buying cycles. It's also the last event at Silverstone before F1 GP and as we will have coverage on the Silverstone website too we would expect additional awareness. Another bonus is that it's closer to CV Show and we will be promoting extensively at that time.

“ALL THE MANUFACTURERS STAFF WERE
VERY GOOD INDEED.”

DriveVansA2Z delivers exhibitors with an audience of light commercial vehicle operators who come to make buying decisions. This Show is about delivering you with an audience of potential customers, all of whom attend because they want to place orders - **Make sure they are placing those orders with you.**

(QUOTES TAKEN FROM VISITOR EXIT SURVEY)

SILVERSTONE CIRCUIT, 6/7 JUNE 2017

EXHIBITOR INFORMATION

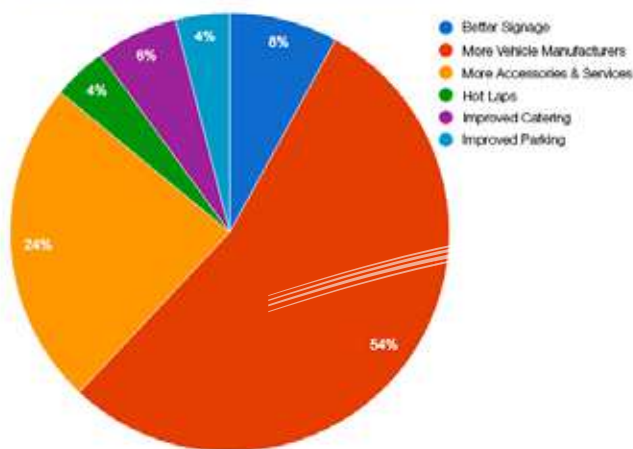

THE SHOW THAT MEANS BUSINESS

An exit survey was carried out on each of the two days of the 2016 Show. The results were interesting and we will implement the changes we can, aiming to influence the changes that we can't.

Building a platform for exhibitors to have a successful show, that provides a worthwhile return on your investment, is what we want to achieve - we know the visitors came with serious intention to either actually place orders, (which some did) or to gain the necessary information to help them make an informed decision prior to placing an order.

If you want a chance to win this business, you need to exhibit at DriveVansA2Z. We listened to the visitors, will you?

HOW CAN WE IMPROVE DRIVEVANS A2Z?

PERCENTAGE OF RESPONDENTS

It's clear that visitors want to see more accessories and services and more vehicle manufacturers. What can we do to convince you that coming to DriveVansA2Z is worthwhile? The following should explain.

We might not deliver the huge visitor numbers that are seen at other, more established, exhibitions but, we do deliver visitors who want to buy, come for serious reasons and we have not seen time-wasters. We can, together, make this event a leading light commercial vehicle show and that has to be good for everyone in our industry.

Just take a look at the distances visitors traveled in order to be able to actually, test drive, back to back, the products they are genuinely considering to buy.

190 - THE AVERAGE NUMBER OF MILES TRAVELLED BY VISITORS

Look at the percentage of visitors who have said they will return. Look at the number of test drives conducted in total: over 1000 in two days and look at the percentage of visitors who achieved thier objectives. This activity surely proves they come to do a job.

97% - THE PERCENTAGE OF VISITORS LIKELY/HIGHLY LIKELY OR WILL RETURN

It is the only Show in the UK where visitors can actually try things out from all kinds of manufacturers and suppliers: vans, light trucks, 4x4s, pick-ups as well as the accessories and services that help make their vehicles and businesses run more smoothly and efficiently.

90% OF VISITORS ACHIEVED THEIR OBJECTIVES, 6% PLACED ORDERS FOR NEW VEHICLES AT THE SHOW

DriveVansA2Z is established as a vital part of the light commercial vehicle market, now is the time for you to fill in the space application form and benefit from exhibiting at this unique, successful and exciting event or call the sales team now on +44 (0) 207 078 9859 and give your business an opportunity to meet people who want to buy.

1. DEFINITIONS.

In these Terms and Conditions the term "Exhibitor" means any person firm or company who has made application for and who has been granted Space in the Exhibition. The term "Exhibition" means DriveVansA2Z. The term "Organisers" means Driving Events & Videos Limited or it's lawful assigns. The term "Space" means the area in the Exhibition applied for or allotted to the Exhibitor.

2. THESE TERMS AND CONDITIONS shall be construed in accordance with English law and shall be deemed to include all other Terms and Conditions or Rules and Regulations issued from time to time by the Organisers including the Rules & Regulations document and the Exhibitor Manual. The Exhibitor also agrees that this contract is subject to the terms of the agreement between the Organisers and the venue owner under which the Organisers have licensed the premises of which the Space is part.

3. APPLICATIONS FOR SPACE.

Applications for space must be made on the Organisers' official Order Form. The organisers reserve the right to accept or reject any application. Application for Space by the Exhibitor and the allotment of Space by the Organisers shall constitute a contract subject to these Terms and Conditions and the Rules and Regulations outlined within the Exhibitor Manual. Where an application has been made by a person acting as agent, factor or licensee, he shall disclose this to Driving Events & Videos Limited.

4. SIGNATORIES

The person or persons signing the Order Form on behalf of the Exhibitor shall be deemed to have full authority to do so on behalf of the Exhibitor and the Exhibitor shall have no right to claim against the Organisers that such person or persons did not have such authority.

4i. LICENSOR AND LICENSEE.

Upon acceptance of the Order Form by the Organisers there shall be a contract between the Organisers and the Exhibitor subject to these Terms and Conditions. As regards any space allotted the relationship of licensor and licensee shall exist between the Organisers and the Exhibitor. In case of non-payment of any sum due from the Exhibitor (whether formally demanded or not) or of any other breach or non-observance by the Exhibitor of any of these Terms and Conditions the Organisers shall have the right to revoke the licence and re-enter upon the allotted space to remove and exclude the Exhibitor and all persons therefrom without prejudice to the right to recover all sums payable by the Exhibitor hereunder and without prejudice to any other right or remedy available to the Organisers.

5. PAYMENT TERMS.

Each Exhibitor is responsible for settling all accounts for ancillary charges and expenses incurred in connection with DriveVansA2Z which are initiated by him, his agent, representative or contractor and must discharge all such liabilities forthwith when called upon to do so. The Exhibitor shall pay in the following instalments:

Date of Issue	Type of Invoice	Due for Payment
On receipt of Space App	Deposit	With Space application
By 28th Feb	Balance	28th Apr
After 28th Feb	Full Space Invoice	28th Apr
After 28th Apr	Full Space Invoice	14 days or May 19th whichever is earlier
After 19th May	Full Space Invoice	Immediately by return.

The Organisers reserve the right to close, have removed or confiscate any stand and/or exhibits belonging to any Exhibitor who has not fulfilled his obligations relating to payments. In this agreement VAT and any other applicable tax has been shown separately. The appropriate amount of tax deemed payable will be calculated at the time of invoice and such tax shall be deemed payable when the charge to which it relates is deemed payable. If any of the above payments are fourteen days in arrears (whether demanded or not) the Organisers shall have the right to charge interest on the overdue amounts from fourteen days after the due date, at a rate of 2% above the base lending rate of Barclay's Bank plc from time to time. Such interest shall accrue after as well as before any judgement and shall accrue on a daily basis.

6. CANCELLATION/REDUCTION OF SPACE.

6.i In the event that an Exhibitor either wishes to cancel the space booking or reduce the size of their space booking after acceptance by the Organisers or fails to meet any of the payment obligations (whether as to the amounts or dates of payment) detailed herein or in the Order Form then the Organisers reserve the right (but without being obliged to do so and without prejudice to any other right or remedy available to the Organisers) to apply cancellation/reduction charges and to reallocate such space. The cancellation/reduction charges shall be as follows:

On or before 28th Feb 2017 0%
 on or before 1st Apr 2017 60%,
 after 19th May 2017 100%

(ii) If the Exhibitor wishes to cancel or reduce the size of his stand then written notice of such wish must be forwarded to, and received by the Organisers by Recorded Delivery Post at: 60A Updown Hill, Windlesham, Surrey. GU20 6DX. For the avoidance of doubt the Organisers shall not be obliged to accept the Exhibitor's notice of cancellation.

(iii) Notwithstanding that the Organisers may resell or reallocate the cancelled stand space (or the space by which it is reduced) after payment of the cancellation charges, the Organisers shall be under no obligation to reimburse all or any part of such cancellation/reduction charges.

9. RELOCATION.

For the avoidance of doubt any contract between the Organisers and the Exhibitor for space is only for the area of such space and no acceptance by the Organisers of the Exhibitor's Order Form or allocation of the Exhibitor's name to any particular part of any Exhibition floor plan or stand number will constitute any agreement warranty or representation by the Organisers that the Exhibitor is entitled to exhibit at the Exhibition in such particular location and the Organisers reserve the right without being required to give notice to the Exhibitor to alter the layout of the Exhibition floor plan or position of any stand at any time.

10. OTHER EXHIBITORS.

11. SPACE NOT OCCUPIED.

The Exhibitor must occupy the space allotted to him by show opening time on the first day of the Exhibition. Any Exhibitor failing to do so will be deemed to have cancelled his space booking. In this event the Terms and Conditions relating to Cancellation will apply and the Organisers may resell or reallocate such space.

12. PROMOTION AND REPRESENTATIONS.

(i) Whilst the Organisers shall use their reasonable endeavours to organise and promote the Exhibition in such manner as they consider appropriate the Organisers reserve the right to amend or vary the manner or methods of such organisation and promotion and therefore any statements made by or on behalf of the Organisers as to audience projections or methods or timing of promotion shall constitute only general indications of the Organisers' promotion and organising strategy and shall not amount to any representation or warranty.

(ii) Any application for stand space or any acceptance thereof by the Organisers shall not be conditional on the presence or location or absence of any other exhibitor at or from the same or any other Exhibition and any reference to such conditionality shall not apply to any contract for space between the Organisers and the Exhibitor for Exhibition stand space.
